

**Tuition Rate Change**

Every couple of years, QCGA is faced with the reality of implementing a tuition rate change for our classes. With the ever rising costs of business operations, it is a necessary step in order for us to maintain a high quality and safe program. The only alternative to a rate change would be to increase our student/teacher ratio to 8:1. But, we feel this option would not allow for us to offer the same quality of lessons. So, the new monthly tuition is \$64 (\$60early) for one lesson and \$120 (\$112early) for two lessons. New fee structure will begin January 2017.

Thanks for your understanding!

**QCGA Dance Group Session**

**NEW** opportunity for QCGA students. We are offering an eight week dance class on Saturdays at 11:30am. The format of this class will be modeled after a dance team/group type experience. The Dance Group

members will learn a mini- dance team routine. The class culminates with a demonstration for family members on the last lesson of the session. This class is open to any QCGA 6-8 year olds. The class is limited to 10 students. Lessons will last 45 minutes. The fee is \$90. Each student receives a QCGA Dance Group T-shirt. The first lesson is January 7th.
